All-Purpose Mobile Spill Kit

The All-Purpose Mobile Spill Kit is designed for any environment where quick response is essential. Its compact, high-visibility design keeps spill-clean-tools organized and easy to access so you can respond immediately to spills helping reduce slip and fall risks, and keeping facilities safe, clean, and operational.

Key Features:

- ✓ **Translucent Front Window:**
Allows visibility of all components and features a bold CAUTION WET FLOOR label + kit name for quick identification
- ✓ **Compact, Space-Saving:**
Fits easily at workstations, service counters, hallways, custodial closets and carts, vehicles, or any high-traffic area
- ✓ **Lightweight & Mobile:**
Easy to grab and carry for rapid deployment
- ✓ **Spill Magic Powder: Qty. 2**
Lightweight, high-performance absorbent that quickly cleans up liquids and semi-liquids, leaving surfaces clean and dry
- ✓ **Bilingual Caution Pocket Cone: Qty. 1**
Rapid-deploy design provides immediate spill-hazard notification
- ✓ **Additional Tools:**
1 Mini broom/dustpan combo, 2 pocket pads, 1 floor pad, and 1 black garbage bag included

Ideal Uses

RETAIL/FOOD SPILLS

- Supermarkets
- Restaurants
- Airports

Quick Response to a Spill is Essential

The longer a spill remains on the floor, the greater the exposure to the risk of a Slip & Fall injury.

Response time typically required to remove spills and restore surface to clean, dry & free of spill residue:

- **Conventional Methods:** 20 minutes or more (mop & bucket, paper towels, cleaners, etc.).
- **Spill Magic's All-Purpose Mobile Spill Kit:** **5 minutes or less.**

INDUSTRIAL SPILLS

- Any Liquid or Semi-Liquid
- Oil
- Fuel
- Battery Acid

Cost Savings

- **20-30% Reduction** in slip and fall claims when the **All-Purpose Mobile Spill Kit** is utilized quickly.
- **Labor:** Less time to clean up spill allows personnel to return to other more productive duties.
- **Cleaning Supplies:** Consolidating number of tools required to clean up a spill.
