FIRST AID ONLY®

Attach & Release First Aid kit

Part No.: 91363

First Aid Designed for Remote Worker Needs

The **Attach & Release First Aid Kit** travels with a worker to remote and specialized work environments.

This innovative kit provides maximum versatility to attach to a vehicle, work equipment or a worker's belt.

The kit can easily be removed from the attached site so any worker can address an injury situation immediately.

Kit can be attached to work equipment and easily removed when needed to treat a work injury.

Product Features

- Multiple straps attach the kit to a wide variety of work settings including construction equipment, janitorial carts, warehouse racking.
- Quick release rip-away backing to grab pouch in an emergency for fast transport to the injured worker.
- Multi-purpose first aid kit with 165 supplies for treating bleeding, burn, cuts and scrapes.
- Organized compartments to locate supplies quickly in an emergency.

Attachment options include D rings and Molle straps.
