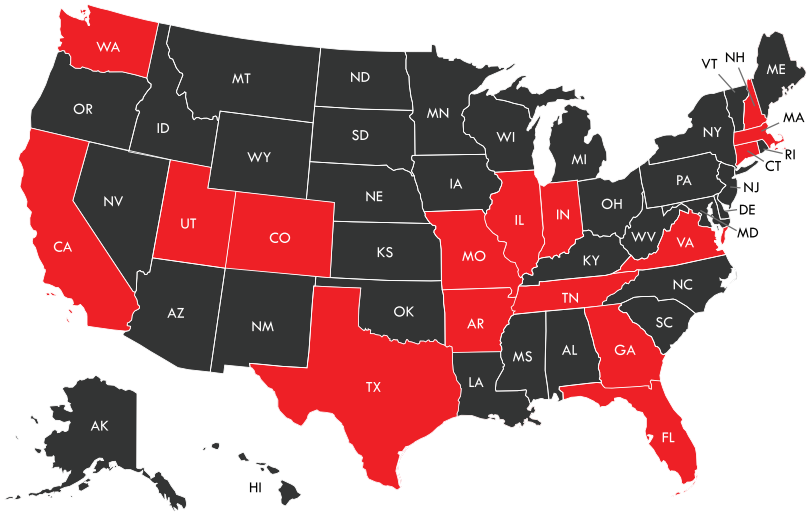
FIRST AID ONLY®

Be Ready for Every States Bleeding Control Requirement

Stay compliant and prepared with the right bleeding control kit.

As legislation expands nationwide, distributors face a growing challenge: matching customers to the right kit for their specific state requirements.

First Aid Only is the partner you need to navigate compliance with confidence.



RED = States with Bleeding Control Requirements

State requirements vary significantly. some mandate specific components, others set general preparedness standards. The complete line of bleeding control kits is built to meet each state's requirements, so you can serve every customer with precision and ease.
