

Emergency Response Bag

For the Workplace, Jobsite, or Office

Respond with Confidence!

Easy to Identify treatment packs when seconds count. The treatment packs are organized by injury type and list each items intended use to keep you focused in an emergency. Just grab the treatment pack you need or carry the complete bag by handle or shoulder strap.

- Treats most emergency injuries: Burns, Wounds, Bleeding, Eye Injuries, Bloodborne Pathogens, CPR and Sprains.
- Easy to identify treatment packs so you can quickly grab what you need.
- The separate treatment packs make re-ordering easier. It is easy to see which packs need replacing.
- More than an Emergency Response Bag with a bonus Bloodborne Pathogen kit that meets OSHA regulations.
- Metal hook with adhesive base included to attach Emergency Response Bag underneath a first aid cabinet or to attach it on the wall.
