

The Emergency Response Solution

for Public Buildings & Government Facilities

Public buildings are high-traffic environments where safety can't be an afterthought. Whether it's a medical emergency, workplace injury, or an incident involving a visitor, having the right tools on hand makes all the difference. The 91170 Emergency Response Bag equips any facility to respond quickly and confidently, all from one organized, grab-and-go solution.

Be Prepared for Any Emergency

- **Comprehensive Coverage:** Treats burns, wounds, bleeding, eye injuries, CPR and sprains with easy to identify treatment packs for fast response
- **Compliance:** ANSI B compliant with a complete Bloodborne Pathogen kit that meets OSHA requirements
- **Simplified Restocking:** Clearly marked treatment packs make it easy to see what needs replacement, so fleets stay inspection ready
- **Accessible Anywhere:** High visibility red bag with wall or cabinet mounting options plus a reinforced shoulder strap for grab and go emergencies
