

# INDUSTRIAL SPILL CONTROL

**FASTZORB**  
SUPERIOR GRANULAR ABSORBENT

## Rapid Containment Kits For Every Spill Situation

Built for rapid response, workplace safety, and reliable spill containment, FASTZORB Spill Kits help facilities quickly control spills, reduce downtime, and maintain compliance with confidence.

#97562

**FAST RESPONSE** - Quick deployment when every second counts.

**WORKPLACE SAFETY** - Help protect people, property, and the environment.

**SUPERIOR ABSORBENCY** - High performance absorbents contain and absorb spills on contact.

**STAY COMPLIANT** - Support regulatory requirements and best practices.

#97562

### FASTZORB OIL SPILL KIT

- **Hydrophobic Absorbents:**  
Repels water while absorbing oil-based fluids
- **FASTZORB Superior Granular Absorbent:**  
Fast-acting, lightweight absorbent for capturing a variety of liquid spills
- **Fast Containment & Control:**  
Pads and socks help stop the spread quickly and reduce slip and exposure risks
- **Supports Safety & Compliance:**  
Helps meet workplace safety standards and spill response requirements

#### OIL ONLY ABSORBENTS

For fuels, lubricants & hydrocarbons

#97561

### FASTZORB UNIVERSAL SPILL KIT

- **Multi-Purpose Absorbents:**  
Handles water, coolants, solvents, oils, and more
