

First Responder Bags

Four Levels of First Responder Bags

A family of four different First Responder bags designed to respond to emergencies ranging from basic to the most advanced and complex injuries.

Each responder bag in the family expands on the prior level bag to treat additional types of injuries.

Select the responder bag that fits your unique needs.

Product Features

- Basic First Aid Fill with options to include Bleeding Control, Airway Management, Bloodborne Pathogen Clean Up and OB supplies.
- Interior organization with dividers, straps and pockets to store and find supplies quickly.
- Versatile shoulder bag with adjustable, ergonomic padded shoulder strap.
