

Clear Front First Aid Kit with Magnetic Flashlight

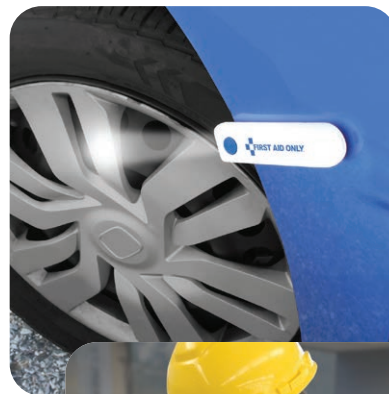

Clean, treat & protect wounds in dimly lit buildings and at night with the **Clear Front with Magnetic Flashlight First Aid Kit**.

The magnetic flashlight illuminates the wound treatment area, ideal for uses in areas with low light. The clear front cover allows for quick visibility of supplies when fast treatment is necessary.

Product Features

- Clean, treat and protect wounds in an illuminated area with integrated magnetic safety light.
- Securely attach the magnetic safety light to vehicles, worksites and other magnetic surfaces.
- Safety light features 100 Lumen flashlight, integrates into the first aid kit case and doubles as a safety whistle.
- Clear front cover and tilt-down shelves with spring loaded slots bringing items to the front of the shelves for quick visibility and access to supplies.
- Kit contains 322 pieces and features sliding side latches for easy open and secure closing.

Flashlight magnetically attaches to metal for convient placement.

The flashlight also features a whistle for alerting co-workers in case of an emergency situation.
