

EYEWASH THAT GOES WHERE THE WORK GOES

MOUNT IT. GRAB IT. TAKE IT.

When something gets in a worker's eye, seconds count and the response shouldn't depend on where they're standing.

The **First Aid Only Mobile Eyewash Station** delivers immediate flushing wherever it's needed, helping workers respond quickly.

WORKS FOR ALL TYPES OF JOBSITES

MOUNT IT.

Hangs horizontally in a fixed station with contents visible at a glance through the clear front.

GRAB IT.

Lightweight case under four pounds carries easily straight to the point of incident.

TAKE IT.

Rides free in a truck or fleet vehicle, with a rugged case that protects the bottles from breakage.
