

Opioid Overdose Medications To Be Required in the Workplace*

1 IN 11

Worker Deaths Are Caused by Opioid Overdose

(Source NSC.com)

Opioid Overdoses are a Workplace Crisis Demanding Action

Immediate action can mean the difference between life and death. New York State has passed legislation requiring opioid overdose response medications to be available in the workplace. Don't wait until it's too late.

Kits are available with and without Naloxone nasal spray

Workplace Overdose Deaths have Increased Over 500% Since 2011*

75% of employers impacted by opioid use*

60% of those who misuse opioids are employed†

Employees are more likely to die from an overdose than a car accident
