

SUPER ABSORBENT SOCKS™

The Simple Solution for
Leaks & Condensation Control

High-performance 2 ft. FlatSock™ absorbent strips that quickly absorb and contain leaks, drips and condensation to help create safer, cleaner environments in any facility.

DISPENSER BOX CONVENIENCE

Continuous end design
for easy storage and

70
STRIPS
PER BOX

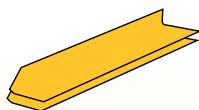

ABSORBS UP TO

1.5
LITERS
PER STRIP
(0.40 GALLONS)

HIGH ABSORBENCY PERFORMANCE

Quickly absorbs leaks to
help keep floors clean,
dry, and safe.

FLATSOCK™ DESIGN

Low-profile design stays
flat to reduce trip hazards
and fit tight spaces.

INCREASED SAFETY AWARENESS

Bright yellow color makes
sock easy to spot and
hazards hard to miss.

DURABLE CONSTRUCTION

Tough construction withstands
demanding environments for
reliable performance.

QUICK RESPONSE READY

Convenient dispenser
lets you respond to leaks
in seconds.
