FIRST AID ONLY®

Reliable Wound Closures for First Aid Kits

MEDIZIP Wound Closure Strips quickly help secure closure of minor cuts and lacerations in workplace and mobile first aid settings.

Ideal for Industrial First Aid Kits, Cabinets & Response Bags

Wound Closure Strips, 5 Count

96209 Adhesive Strips
7"x 0.25" x 5"

Adhesive wound closure strips are individually packaged and sterile. They are designed to gently hold the edges of minor cuts and wounds together. They provide secure, non-invasive support while allowing the skin to breathe and heal naturally.
