

Control Bleeding Fast

Compressed Z-Fold Packing Gauzes

This compressed packing gauze is essential for controlling blood loss. Use to pack a wound in conjunction with a compression bandage or to wrap an injury. Make this an essential addition for your First Aid and IFAK kits.

- ✓ X-Ray Detectable line embedded in each packing gauze
- ✓ Individually vacuum-sealed gauzes are compact & expand on opening
- ✓ Non-adherent Z-fold design for packing hemorrhaging wounds quickly
- ✓ Suitable for minor & severe wounds, can be used in conjunction with hemostatic dressings & tourniquets
- ✓ 5-year shelf life ensures long-term usability
